

Understanding Children and Young People's Mental Health

Course Overview

Throughout this course you will learn to understand the concept of mental health, understand risk factors which may affect the mental well-being of children and young people and know about specific mental health conditions that children and young people may experience. You will also understand the impact mental health concerns can have on children and young people and understand how to promote mental well-being in children and young people.

Benefits of study:

- No need to attend college, work from home at a pace that suits you.
- Achieve a nationally recognised Level 2 qualification.
- Further your personal and professional development.
- Available at no cost.
- Receive support and guidance from a dedicated team of qualified assessors/tutors.
- Study will enhance your personal and professional skills.

What You Will Study

The student will learn through the support of relevant materials for the course, with a knowledgeable tutor providing advice and guidance on the course content.
